Forty-eighth Parliament

*Presented to the House of Representatives  
pursuant to Appendix B of the Standing  
Orders of the House of Representatives*

**MADAM SPEAKER**

I have the honour to provide to you, pursuant to clause 16(3) of Appendix B of the Standing Orders of the House of Representatives, a copy of the summary booklet containing a fair and accurate description of the information contained in the Register of Pecuniary Interests of Members of Parliament, as at 31 January 2007.

A handwritten signature in black ink, reading "Margaret Bazley". The signature is written in a cursive style with a large initial 'M' and 'B'.

Dame Margaret Bazley DNZM  
Registrar of Pecuniary Interests of Members of Parliament

## Introduction

In August 2005 the House of Representatives amended its Standing Orders to provide a system for members of Parliament to register their pecuniary interests, such as the assets, debts and gifts they may each have accumulated or received. It provides a protection against arguments that a possible conflict might arise between a member's public duty and private interests. If certain things are made known and registered, the question of any conflict of interest can be minimised. The requirements are set out in Standing Order 164 and Appendix B of the *Standing Orders of the House of Representatives*. It is a register designed to protect members in the event of scrutiny, rather than being a recital of wealth and indebtedness. It is also a registration of the kind of interests, not their individual value or specific location. Appendix B of the Standing Orders is reproduced as an annex to this booklet.

Members are required to register interests in 13 categories set out in clauses 4 to 7 of Appendix B. These are listed below. Items 1 to 9 require a 'snapshot' of interests as at 31 January 2007. Items 10 to 13 cover the period from the member's previous return until 31 January 2007. This booklet summarises the information provided in members' returns in respect of any of the categories below.

- 1 Company directorships and controlling interests (clause 4(1)(a))
- 2 Interests (such as shares and bonds) in companies and business entities (clauses 4(1)(b) and 4(2))
- 3 Employment (clause 4(1)(c))
- 4 Beneficial interests in trusts (clause 4(1)(d))
- 5 Organisations and trusts seeking Government funding (clause 4(1)(e))
- 6 Real property (clause 4(1)(f))
- 7 Superannuation schemes (clause 4(1)(g))
- 8 Debtors (clauses 4(1)(h), 4(3), 5, and 6)
- 9 Creditors (clauses 4(1)(i), 4(3), and 6)
- 10 Overseas travel costs (clauses 7(1)(a) and 7(2))
- 11 Gifts (clause 7(1)(b))
- 12 Discharged debts (clause 7(1)(c))
- 13 Payments for activities (clause 7(1)(d))

For details of registration requirements in each category, the clause references in Appendix B of the Standing Orders (see Annex) are given above.

**Note about gifts**

Several members have identified Air New Zealand's Koru Club and the Qantas Chairman's Lounge as gifts from the airlines. The annual value of these is borderline in terms of the \$500 threshold above which items must be registered. Therefore, members have made varying decisions about whether to include these in their returns. Rather than including these in each member's entry, this note serves to identify that these items are a gift that many, if not all, members have in common.

### **2 Duty to make initial return of pecuniary interests**

- (1) Every member must make an initial return of pecuniary interests as at the day that is 90 days after the date that the member takes the oath or makes the affirmation required by section 11(1) of the Constitution Act 1986.
- (2) Subclause (1) does not apply if,—
  - (a) in the case of a member who is elected at an election, polling day for the election is after 1 July in the year of the election, or
  - (b) in the case of a member who is declared to be elected under section 137 of the Electoral Act 1993, the date that the member's election is notified in the Gazette is after 1 July in the year that the member is declared to be elected.
- (3) An initial return must be transmitted by the member to the registrar within 30 days of the effective date of the return.

### **3 Duty to make annual return of pecuniary interests**

- (1) Every member must make an annual return of pecuniary interests in each year as at 31 January.
- (2) The annual return must be transmitted by the member to the registrar by 28 February in each year in which an annual return must be made.

### **4 Contents of return relating to member's position as at effective date of return**

- (1) Every return of pecuniary interests must contain the following information as at the effective date of the return:
  - (a) the name of each company of which the member is a director or holds or controls more than 5 percent of the

  - (i) the name of each creditor of the member to whom the member owes more than \$50,000 and a description of each of the debts that are owed by the member to those creditors.
- (2) For the purposes of subclause (1)(b), a member does not have a pecuniary interest in a company or business entity (entity A) merely because the member has a pecuniary interest in another company or business entity that has a pecuniary interest in entity A.
- (3) The description of a debt under subclause (1)(h) and (i) must include disclosure of the rate of interest payable in relation to the debt if that rate of interest is less than the most recent rate of interest prescribed by regulations made under section ND 1F of the Income Tax Act 2004 (or any successor to that provision) as at the effective date of the return.

## **5 Debts owed by certain family members do not have to be disclosed**

A member does not have to disclose the name of any debtor of the member and a description of the debt owed by that debtor if the debtor is the member's spouse or domestic partner or any parent, child, step-child, foster-child, or grandchild of the member.

**6 Short-term debts for supply of goods or services do not have to be disclosed**

A member does not have to disclose the name of any debtor or creditor of the member and a description of the debt owed by that debtor or to that creditor if the debt is for the supply of goods or services and payment is required—

- (a) within 90 days after the supply of the goods or services, or
- (b) because the supply of the goods or services is continuous and periodic invoices are rendered for the goods or services, within 90 days after the date of an invoice rendered for those goods or services.

**7 Contents of return relating to member's activities for period ending on effective date of return**

  - (b) a description of each gift (including hospitality and donations in cash or kind but excluding any donation made to cover expenses in an electoral campaign) received by the member that has an estimated market value in New Zealand of more than \$500 and the name of the donor of each of those gifts (if known or reasonably ascertainable by the member), and
  - (c) a description of all debts of more than \$500 that were owing by the member that were discharged or paid (in whole or in part) by any other person and the names of each of those persons, and
  - (d) a description of each payment received by the member for activities in which the member is involved (other than the salary and allowances paid to that person under the Civil List Act 1979 and the Remuneration Authority Act 1977).
- (2) The information referred to in subclause (1)(a) does not have to be included in the return if the travel costs or accommodation costs (as the case may be) were paid in full by the following or any combination of the following:
  - (a) the member:

- (b) the member's spouse or domestic partner:
- (c) any parent, child, step-child, foster-child, or grandchild of the member:

  - (b) if the member is elected at an election and the member was not also a member of Parliament immediately before that election and the return is the first return required to be made by the member after that election, the period for which the information specified in clause 7 must be provided is the period beginning on polling day for that election and ending on the effective date of that return:
  - (c) if an initial return is required to be made by a member elected at a general election who was also a member of Parliament immediately before that general election, the period for which the information specified in clause 7 must be provided is the period beginning on 1 February in the year in which the general election is held and ending on the effective date of that return:
  - (d) if the member is declared to be elected under section 137 of the Electoral Act 1993 and the return is the first return required to be made by the member after being elected, the period for which the information specified in clause 7 must be provided is the period beginning on the date that the member's election is notified in the Gazette and ending on the effective date of that return:
  - (e) if the previous return that the member had a duty to make was an initial return, the period for which the information specified in clause 7 must be provided is the period beginning on the day after the effective date of that initial return and ending on the effective date of the return that must be made.
- (3) For the purposes of subclause (2)(b) and (d), the first return required to be made by a member may be either an initial return or an annual return.
