DEBATE ON PRIME MINISTER'S STATEMENT

Interrupted debate on the question, That this House has no confidence in the Government led by Helen Clark because it lacks any vision or purpose apart from getting re-elected, it refuses to be accountable or responsible for the public services it oversees, it is tired and bereft of ideas, and all it can offer New Zealand is a collection of empty slogans (John Key) and the amendment proposed thereto, That all the words after the word "That" be omitted and the following substituted: " this House has no confidence in the Government, which is in denial about the real issues confronting New Zealanders, keeping families dependent on government, and stands between our people and prosperity." (Heather Roy)
