*Presented to the House of Representatives  
pursuant to Appendix B of the Standing  
Orders of the House of Representatives*

**MISTER SPEAKER**

I have the honour to provide to you, pursuant to clause 16(3) of Appendix B of the Standing Orders of the House of Representatives, a copy of the summary booklet containing a fair and accurate description of the information contained in the Register of Pecuniary Interests of Members of Parliament, as at 31 January 2009.

A handwritten signature in black ink, reading "Margaret Bazley". The signature is written in a cursive style with a large initial 'M' and 'B'.

Dame Margaret Bazley DNZM, Hon DLit  
Registrar of Pecuniary Interests of Members of Parliament

## Introduction

Since 2005 Standing Orders have provided a system for members of Parliament to register their pecuniary interests, such as the assets, debts and gifts they may each have accumulated or received. It provides a protection against arguments that a possible conflict might arise between a member's public duty and private interests. If certain things are made known and registered, concerns regarding conflicts of interest can be minimised. The requirements are set out in Standing Order 159 and Appendix B of the *Standing Orders of the House of Representatives*. It is a register designed to protect members in the event of scrutiny, rather than being a recital of wealth and indebtedness. It is also a registration of the kind of interests, not their individual value or specific location. Appendix B of the Standing Orders is reproduced as an annex to this booklet.

Members are required to register interests in 13 categories set out in clauses 4 to 7 of Appendix B. These are listed below. Items 1 to 9 require a 'snapshot' of interests as at 31 January 2009. Items 10 to 13 cover the period from the member's previous return, or from their election to Parliament, until 31 January 2009. This booklet summarises the information provided in members' returns in respect of any of the categories below.

- 1 Company directorships and controlling interests (clause 4(1)(a))
- 2 Interests (such as shares and bonds) in companies and business entities (clauses 4(1)(b) and 4(2))
- 3 Employment (clause 4(1)(c))
- 4 Beneficial interests in trusts (clause 4(1)(d))
- 5 Organisations and trusts seeking Government funding (clause 4(1)(e))
- 6 Real property (clause 4(1)(f))
- 7 Superannuation schemes (clause 4(1)(g))
- 8 Debtors (clauses 4(1)(h), 4(3), 5, and 6)
- 9 Creditors (clauses 4(1)(i), 4(3), 5, and 6)
- 10 Overseas travel costs (clauses 7(1)(a) and 7(2))
- 11 Gifts (clauses 7(1)(b) and 7(3))
- 12 Discharged debts (clause 7(1)(c))
- 13 Payments for activities (clause 7(1)(d))

For details of declaration requirements in each category, the clause references in Appendix B of the Standing Orders (see Annex) are given above.

### Note about gifts

Several members have identified Air New Zealand's Koru Club and the Qantas Chairman's Lounge as gifts from the airlines. The annual value of these is borderline in terms of the \$500 threshold above which items must be registered. Therefore, members have made varying decisions about whether to include these in their returns. Rather than including these in each member's entry, this note serves to identify that these items are a gift that many, if not all, members have in common.

## Privileges Committee Inquiry

In 2008 the Privileges Committee undertook an inquiry into a question of privilege relating to compliance with a member's obligations under the Standing Orders dealing with pecuniary interests<sup>1</sup>. The Privileges Committee's report on this inquiry provided guidance for members on specific matters relating to the declaration of gifts, payments in kind, and arrangements with third parties or trusts. The Committee also stated some general principles that members should apply when completing their returns. The Committee found that members must make an honest attempt to return all the pecuniary interests they hold, and that they are obliged to turn their minds to the interests they have. The Committee also noted that members' approach should be "If in doubt, declare it".

As Registrar, it is not my role to check the accuracy of the information declared by members. However, I have noted this year a high level of effort on the part of members to comply fully with the requirements to declare their interests and to apply the principles stated by the Privileges Committee. In some instances, this has led members to supply more information than they are required to, including declaring items that are not strictly pecuniary interests as specified in the Standing Orders. I have respected members' wishes and included this additional information in the summary of returns. I will give further consideration to this for next year's summary, as I do not wish a situation to evolve where members increasingly feel obliged to declare more interests than they are required to, in order to match the declarations made by other members.

- (1) Every member must make an initial return of pecuniary interests as at the day that is 90 days after the date that the member takes the oath or makes the affirmation required by section 11(1) of the Constitution Act 1986.
- (2) Subclause (1) does not apply if,—
- (a) in the case of a member who is elected at an election, polling day for the election is after 1 July in the year of the election, or
- (b) in the case of a member who is declared to be elected under section 137 of the Electoral Act 1993, the date that the member's election is notified in the *Gazette* is after 1 July in the year that the member is declared to be elected.
- (3) An initial return must be transmitted by the member to the registrar within 30 days of the effective date of the return.

### 3 Duty to make annual return of pecuniary interests

- (1) Every member must make an annual return of pecuniary interests in each year as at 31 January.

- (2) For the purposes of subclause (1)(b), a member does not have a pecuniary interest in a company or business entity (entity A) merely because the member has a pecuniary interest in another company or business entity that has a pecuniary interest in entity A.
  - (3) The description of a debt under subclause (1)(h) and (i) must include disclosure of the rate of interest payable in relation to the debt if that rate of interest is less than the most recent rate of interest prescribed by regulations made under section ND 1F of the Income Tax Act 2004 (or any successor to that provision) as at the effective date of the return.

  - (c) if an initial return is required to be made by a member elected at a general election who was also a member of Parliament immediately before that general election, the period for which the information specified in clause 7 must be provided is the period beginning on 1 February in the year in which the general election is held and ending on the effective date of that return:
  - (d) if the member is declared to be elected under section 137 of the Electoral Act 1993 and the return is the first return required to be made by the member after being elected, the period for which the information specified in clause 7 must be provided is the period beginning on the date that the member's election is notified in the *Gazette* and ending on the effective date of that return:
  - (e) if the previous return that the member had a duty to make was an initial return, the period for which the information specified in clause 7 must be provided is the period beginning on the day after the effective date of that initial return and ending on the effective date of the return that must be made.
- (3) For the purposes of subclause (2)(b) and (d), the first return required to be made by a member may be either an initial return or an annual return.
