

**Register of Pecuniary Interests
of Members of Parliament:
Summary of annual returns as at
31 January 2008**

Forty-eighth Parliament

*Presented to the House of Representatives
pursuant to Appendix B of the Standing
Orders of the House of Representatives*

MADAM SPEAKER

I have the honour to provide to you, pursuant to clause 16(3) of Appendix B of the Standing Orders of the House of Representatives, a copy of the summary booklet containing a fair and accurate description of the information contained in the Register of Pecuniary Interests of Members of Parliament, as at 31 January 2008.

A handwritten signature in black ink, reading "Margaret Bazley". The signature is written in a cursive style with a large initial 'M' and 'B'.

Dame Margaret Bazley DNZM
Registrar of Pecuniary Interests of Members of Parliament

Introduction

In August 2005 the House of Representatives amended its Standing Orders to provide a system for members of Parliament to register their pecuniary interests, such as the assets, debts and gifts they may each have accumulated or received. It provides a protection against arguments that a possible conflict might arise between a member's public duty and private interests. If certain things are made known and registered, the question of any conflict of interest can be minimised. The requirements are set out in Standing Order 164 and Appendix B of the *Standing Orders of the House of Representatives*. It is a register designed to protect members in the event of scrutiny, rather than being a recital of wealth and indebtedness. It is also a registration of the kind of interests, not their individual value or specific location. Appendix B of the Standing Orders is reproduced as an annex to this booklet.

Members are required to register interests in 13 categories set out in clauses 4 to 7 of Appendix B. These are listed below. Items 1 to 9 require a 'snapshot' of interests as at 31 January 2008. Items 10 to 13 cover the period from the member's previous return until 31 January 2008. This booklet summarises the information provided in members' returns in respect of any of the categories below.

- 1 Company directorships and controlling interests (clause 4(1)(a))
- 2 Interests (such as shares and bonds) in companies and business entities (clauses 4(1)(b) and 4(2))
- 3 Employment (clause 4(1)(c))
- 4 Beneficial interests in trusts (clause 4(1)(d))
- 5 Organisations and trusts seeking Government funding (clause 4(1)(e))
- 6 Real property (clause 4(1)(f))
- 7 Superannuation schemes (clause 4(1)(g))
- 8 Debtors (clauses 4(1)(h), 4(3), 5, and 6)
- 9 Creditors (clauses 4(1)(i), 4(3), and 6)
- 10 Overseas travel costs (clauses 7(1)(a) and 7(2))
- 11 Gifts (clause 7(1)(b))
- 12 Discharged debts (clause 7(1)(c))
- 13 Payments for activities (clause 7(1)(d))

For details of registration requirements in each category, the clause references in Appendix B of the Standing Orders (see Annex) are given above.

Note about gifts

Several members have identified Air New Zealand's Koru Club and the Qantas Chairman's Lounge as gifts from the airlines. The annual value of these is borderline in terms of the \$500 threshold above which items must be registered. Therefore, members have made varying decisions about whether to include these in their returns. Rather than including these in each member's entry, this note serves to identify that these items are a gift that many, if not all, members have in common.

- (2) Subclause (1) does not apply if,—
- (a) in the case of a member who is elected at an election, polling day for the election is after 1 July in the year of the election, or
- (b) in the case of a member who is declared to be elected under section 137 of the Electoral Act 1993, the date that the member's election is notified in the Gazette is after 1 July in the year that the member is declared to be elected.

3 Duty to make annual return of pecuniary interests

- (1) Every member must make an annual return of pecuniary interests in each year as at 31 January.

- (2) For the purposes of subclause (1)(b), a member does not have a pecuniary interest in a company or business entity (entity A) merely because the member has a pecuniary interest in another company or business entity that has a pecuniary interest in entity A.
- (3) The description of a debt under subclause (1)(h) and (i) must include disclosure of the rate of interest payable in relation to the debt if that rate of interest is less than the most recent rate of interest prescribed by regulations made under section ND 1F of the Income Tax Act 2004 (or any successor to that provision) as at the effective date of the return.

5 Debts owed by certain family members do not have to be disclosed

 - (c) if an initial return is required to be made by a member elected at a general election who was also a member of Parliament immediately before that general election, the period for which the information specified in clause 7 must be provided is the period beginning on 1 February in the year in which the general election is held and ending on the effective date of that return:
