Register of Pecuniary and Other Specified Interests of Members of Parliament: Summary of annual returns as at 31 January 2016

Fifty-first Parliament

Presented to the House of Representatives pursuant to Appendix B of the Standing Orders of the House of Representatives
MISTER SPEAKER

I have the honour to provide to you, pursuant to clause 18(3) of Appendix B of the Standing Orders of the House of Representatives, a copy of the summary booklet containing a fair and accurate description of the information contained in the Register of Pecuniary and Other Specified Interests of Members of Parliament, as at 31 January 2016.

Sir Maarten Wevers KNZM
Registrar of Pecuniary and Other Specified Interests of Members of Parliament
**Introduction**

Since 2006, members of Parliament have been required to register a range of pecuniary and certain specified personal interests as set out in clauses 5 to 8 of Appendix B of the *Standing Orders of the House of Representatives*. The interests that are required to be registered are listed below.

Items 1 to 9 provide a “snapshot” or stock of pecuniary and specified interests of members as at 31 January 2016. Items 10 to 13 identify a flow of members’ interests for the period from the member’s previous return. This report summarises the information provided to the Registrar in members’ returns in respect of any of the categories below which may apply to a particular member:

1. Company directorships and controlling interests (clause 5(1)(a))
2. Interests (such as shares and bonds) in companies and business entities (clause 5(1)(b) and (2))
3. Employment (clause 5(1)(c))
4. Interests in trusts (clause 5(1)(d))
5. Organisations and trusts seeking Government funding (clause 5(1)(e) and (3))
6. Real property (clause 5(1)(f) and (1)(g))
7. Superannuation schemes (clause 5(1)(h))
8. Debtors (clauses 5(1)(i), 5(4), 6, and 7)
9. Creditors (clauses 5(1)(j), 5(4), 6, and 7)
10. Overseas travel (clause 8(1)(a) and (2))
11. Gifts (clause 8(1)(b) and (3))
12. Discharged debts (clause 8(1)(c) and (4))
13. Payments for activities (clause 8(1)(d) and (5)).

**Registrar’s comments on returns process**

My role as Registrar is to compile and maintain the Register, and provide advice and guidance to members in connection with their obligations. It remains the responsibility of individual members to submit a return that meets the requirements of Standing Orders.

Once again this year, individual members have sought my advice, or the advice of my office, to assist them to make their return. There were no matters of undue or general concern raised by members in their discussions with me, although some matters raised did underline, once again, that interpretation of the Standing Orders is still required on occasion.

The full provisions of Appendix B of Standing Orders, which set out the latest requirements of the Register, are reproduced in this report (page 67) for information purposes.
My assessment is that the revised Standing Orders, introduced in 2014, have led to improved transparency of members’ interests, for example in relation to gifts, and trusts. In this way, members’ returns can again be seen to have contributed to the purpose of the Register, which is to facilitate the transaction of the business of the House by promoting the highest standards of behaviour and conduct by members, and thereby strengthening public trust and confidence in parliamentary processes and decision-making.

The approach of the New Zealand Parliament to members’ interests can be compared to similar efforts in other democratic jurisdictions, particularly in the Westminster democracies, which all have their own form of Register. Public confidence in parliamentary processes and members’ conduct is a matter of ongoing interest in representative democracies worldwide and requires ongoing effort from members and parliamentary institutions to be sustained. I continue to observe developments in comparable jurisdictions with interest.

Over the course of the past year, I had the privilege of meeting, in Wellington, Speakers and Deputy Speakers from a number of Pacific parliaments for a discussion about New Zealand’s approach to members’ interests. The delegation included the Honourable Niki Rattle, Speaker of the Cook Islands House of Representatives, the Right Honourable Lord Tu’ivakano, Speaker of the Legislative Assembly of Tonga, the Honourable Dr Jiko Luveni, Speaker of the Parliament of Fiji, the Honourable Agafili Patisela Eteuati Tolovaa, Deputy Speaker of the Legislative Assembly of Samoa and the Honourable Togiavalu Pihigia, Speaker of the Legislative Assembly of Niue. They were keen to understand the origin, purpose, and practice of our Register, as well as its impact.

I was also pleased to have the opportunity to meet my counterparts in the House of Commons and House of Lords at Westminster, where issues surrounding members’ interests, and allowances and conditions, have been a matter of sustained public interest and strong criticism. Those conversations affirmed the importance of local context in designing systems for the registration of members’ interests.

In conclusion, I wish to note that although almost all members submitted their returns to me by the specified deadline, one was received shortly after the due date. I have nevertheless decided to include the contents of The Hon. Hekia Parata’s return in this report, in the interest of completeness.

As in previous years, I welcome and commend the support shown by members for the Register’s purpose.

APPENDIX B

INTRODUCTION

1 Introduction
(1) This Appendix establishes the Register of Members’ Pecuniary and Other Specified Interests.

(3) The purpose of the register is to facilitate the transaction of business by the House by promoting the highest standards of behaviour and conduct by members, and thereby strengthening public trust and confidence in parliamentary processes and decision-making.
(4) A person making a decision in the course of complying with this Appendix must be guided by the register’s purpose.

   (i) paid as salary or allowances under the Members of Parliament (Remuneration and Services) Act 2013 or the Remuneration Authority Act 1977, or as a funding entitlement for parliamentary purposes under the Parliamentary Service Act 2000:
   (ii) paid in respect of any activity in which the member concluded his or her involvement prior to becoming a member (that is, before the commencement of a period set out in clause 9(2)(b) or (d), as applicable).
(2) The information referred to in subclause (1)(a) does not have to be included in the return if the travel costs or accommodation costs (as the case may be) were paid by the following or any combination of the following:
(a) the member:
(b) the member’s spouse or partner:
(c) any parent, child, stepchild, foster-child, or grandchild of the member:
(d) the Crown:
(e) any government, parliament, or international parliamentary organisation that

(5) For the purposes of subclause (1)(d), a description of a payment is required if the terms of the payment have been agreed in the period specified in clause 9, even if the payment has not been received during that period.

9 Period covered by return

(1) The period for which the information specified in clause 8 must be provided is the 12-month period ending on the effective date of the return.

(2) However,—
(a) a member does not have to include any information specified in clause 8 that has been included in a previous return:
(b) if the member is elected at an election and the member was not also a member of Parliament immediately before that election and the return is the first return required to be made by the member after that election, the period for which the information specified in clause 8 must be provided is the period beginning on polling day for that election and ending on the effective date of that return:
(c) if an initial return is required to be made by a member elected at a general election who was also a member of Parliament immediately before that general election, the period for which the information specified in clause 8 must be provided is the period beginning on 1 February in the year in which the general election is held and ending on the effective date of that return:
(d) if the member is declared to be elected under section 137 of the Electoral Act 1993 and the return is the first return required to be made by the member after being elected, the period for which the information specified in clause 8 must be provided is the period beginning on the date that the member’s election is notified in the Gazette and ending on the effective date of that return:
(e) if the previous return that the member had a duty to make was an initial return, the period for which the information specified in clause 8 must be provided is the period beginning on the day after the effective date of that initial return and ending on the effective date of the return that must be made.

(3) For the purposes of subclause (2)(b) and (d), the first return required to be made by a member may be either an initial return or an annual return.

(a) may involve a breach of the obligations to make a return;

(b) is technical or trivial.

(5) On determining whether an inquiry is warranted, the Registrar must inform the member who made the request of this determination, and must also inform the member who was the subject of the request.

(b) includes in the report any information relating to the inquiry that the Registrar considers is necessary to inform the House of the matter, and

(c) forwards to the Privileges Committee any information relating to the inquiry that
the Registrar considers is necessary for the committee’s consideration of the report.

(7) In considering a question of privilege determined by the Registrar, the Privileges Committee may request from the Registrar information that it considers is necessary for the committee’s consideration. The Registrar decides whether to provide the information requested.

(8) Information provided by the Registrar to the Privileges Committee under subclauses (6)(c) or (7) is received by the committee as evidence in private, unless it is received in secret.

20 Errors or omissions

(1) Any member who becomes aware of an error or omission in any return previously made by that member must advise the Registrar of that error or omission as soon as practicable after becoming aware of it.

(2) The Registrar may, at the Registrar’s own discretion, publish amendments on a website to correct errors or omissions advised under subclause (1).
